At **Coleccion Alexandra** we design & manufacture in house creating one of the largest furniture and accessories collections worldwide.

LUXURY BATH CREATIONS is the product line with which Coleccion Alexandra aims to boost its bath furniture collection, offering a wide range of creations in the three distinctive styles that are the hallmark of the firm: the exquisite classical luxury of traditional *HERITAGE*; the progressive evolution towards elegance of the classical contemporary *EVOLUTION* and our most avant-garde contemporary collection *EMOTIONS*.

En **Colección Alexandra** diseñamos y fabricamos bajo el mismo techo, creando así una de las colecciones de muebles y complementos para la decoración más extensas del mundo.

LUXURY BATH CREATIONS es la línea de producto con la que la firma da un impulso definitivo a su colección de mobiliario de baño, estando en disposición de ofrecer una amplia gama de producto que abarca los tres estilos decorativos que hacen de la marca, su sello de identidad: el lujo exquisito del clásico tradicional *HERITAGE*; la evolución progresiva hacia la elegancia del clásico contemporáneo *EVOLUTION* y nuestra colección más vanguardista y contemporánea, *EMOTIONS*.

DESIGN, TRADITIONAL CRAFTSMANSHIP AND NEW TECHNOLOGY

The exclusive design of our collections is truly inspired by the love and passion for history and art together with the skill of expert artisans, creating the most stunning and unique pieces. A fusion between East and West in the light of the Mediterranean sea resulting in collections full of beauty and harmony, entirely manufactured in Spain.

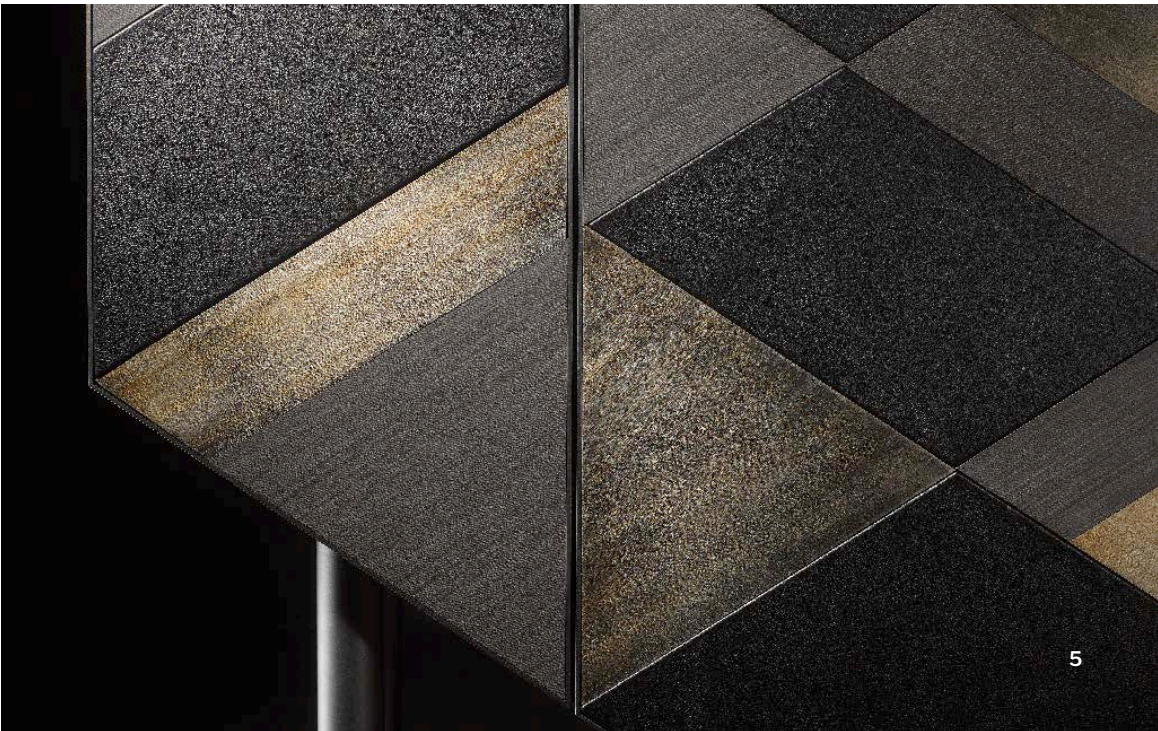

Likewise, the traditional handicraft used in our company enables the production of unique decoration pieces manufactured one-to-one to meet the most demanding customisation requests.

The most exclusive and original works of art are born by joining traditional techniques and the latest technology, leading to the progressive incorporation of specific pieces into our furniture collections, like the Magic Mirror (integrated TV) or LED lighting-

El exclusivo diseño de nuestras colecciones tiene un claro punto de partida: nuestra pasión y amor por la historia y el arte, que junto con el talento de cualificados artesanos, dan como resultado piezas únicas y sorprendentes. De la fusión entre Oriente y Occidente y a la luz del Mediterráneo, nacen colecciones atemporales llenas de increíble belleza y armonía, fabricadas íntegramente en España.

Asimismo, los métodos de fabricación artesanal que empleamos facilitan la elaboración de piezas únicas en decoración, fabricadas one-to-one, estando en óptimas condiciones para dar respuesta a cualquier demanda de nuestros clientes.

De la unión entre los métodos de fabricación artesanal y la tecnología punta nacen las obras de arte más exclusivas y únicas. Dicha tecnología se va incorporando progresivamente en determinadas piezas de nuestras colecciones, como el espejo con TV integrada o la iluminación LED.

EMOTIONS

AVANT-GARDE CREATIONS

EMOTIONS has been crafted to meet the needs and aspirations of the modern day Cosmopolitan, whilst reinforcing Coleccion Alexandra's uniqueness. EMOTIONS style is uncompromisingly sleek. Uncomplicated and minimalistic design shrouds functionality and a mesmerising attention to detail. The details themselves set these collections apart and it is through these details that each piece assumes individuality.

La línea **EMOTIONS** ha sido concebida para dar respuesta a los gustos y necesidades del mercado más vanguardista, conservando el inconfundible sello de calidad de la Firma. El estilo EMOTIONS es elegante, con líneas limpias y tonos neutros, incorporando los materiales más nobles. El diseño minimalista y sin complicaciones aúna la funcionalidad con el cuidado en cada detalle. Son precisamente los detalles los que conceden exclusividad y carácter a las piezas.
