COLECCION ALEXANDRA

DISEÑO Y ARTESANÍA
MADE IN SPAIN

EVOLUTION es el catálogo en el que se plasma la pasión por innovar y sorprender de Colección Alexandra. Así, la Empresa ha ido evolucionando desde sus tradicionales estilos clásicos hasta los actuales muebles y complementos de *Estilo Contemporáneo*, conviviendo todos juntos para satisfacción de la clientela.

Colección Alexandra trata de distinguirse de otros fabricantes de estilo contemporáneo continuando la misión iniciada por su fundadora, *Maria José Guinot*, que no es otra que afianzar uno de sus principales valores: ofrecer mobiliario con infinitad de posibilidades de personalización para el mercado de la Alta Decoración.

Y es que aunque las piezas de Estilo Contemporáneo sean las que pertenecen a esta época que en la actualidad estamos viviendo, Colección Alexandra solo entiende su oferta como un soporte en el que plasmar su sello de elegancia y calidad. Por tanto, no cae en Racionalismos “démodé”. A cada artículo se le aplica el diseño y la ejecución *one to one* necesarias para conservar la impronta de la Firma.

MADE IN SPAIN DESIGN
AND HANDICRAFT

EVOLUTION is the catalogue where passion for innovation and surprise is expressed by Colección Alexandra. The company has naturally evolved from its characteristic traditional, classical style to a more modern, *contemporary look* in furniture; thus harmoniously catering to all our clients' tastes.

Colección Alexandra aims to distinguish itself from other contemporary style manufacturers currently in the market, by continuing the mission originally established by its founder *Maria Jose Guinot*, to exploit its competitive advantage offering customized furniture to the high end market thus differentiating itself from mass production manufacturers.

Although contemporary style pieces are a reflection of the current period, Colección Alexandra's intention is to offer a canvas which captures its characteristic elegance and quality. Each piece is designed and created one-to-one preserving the company's unique stamp.

DESIGN

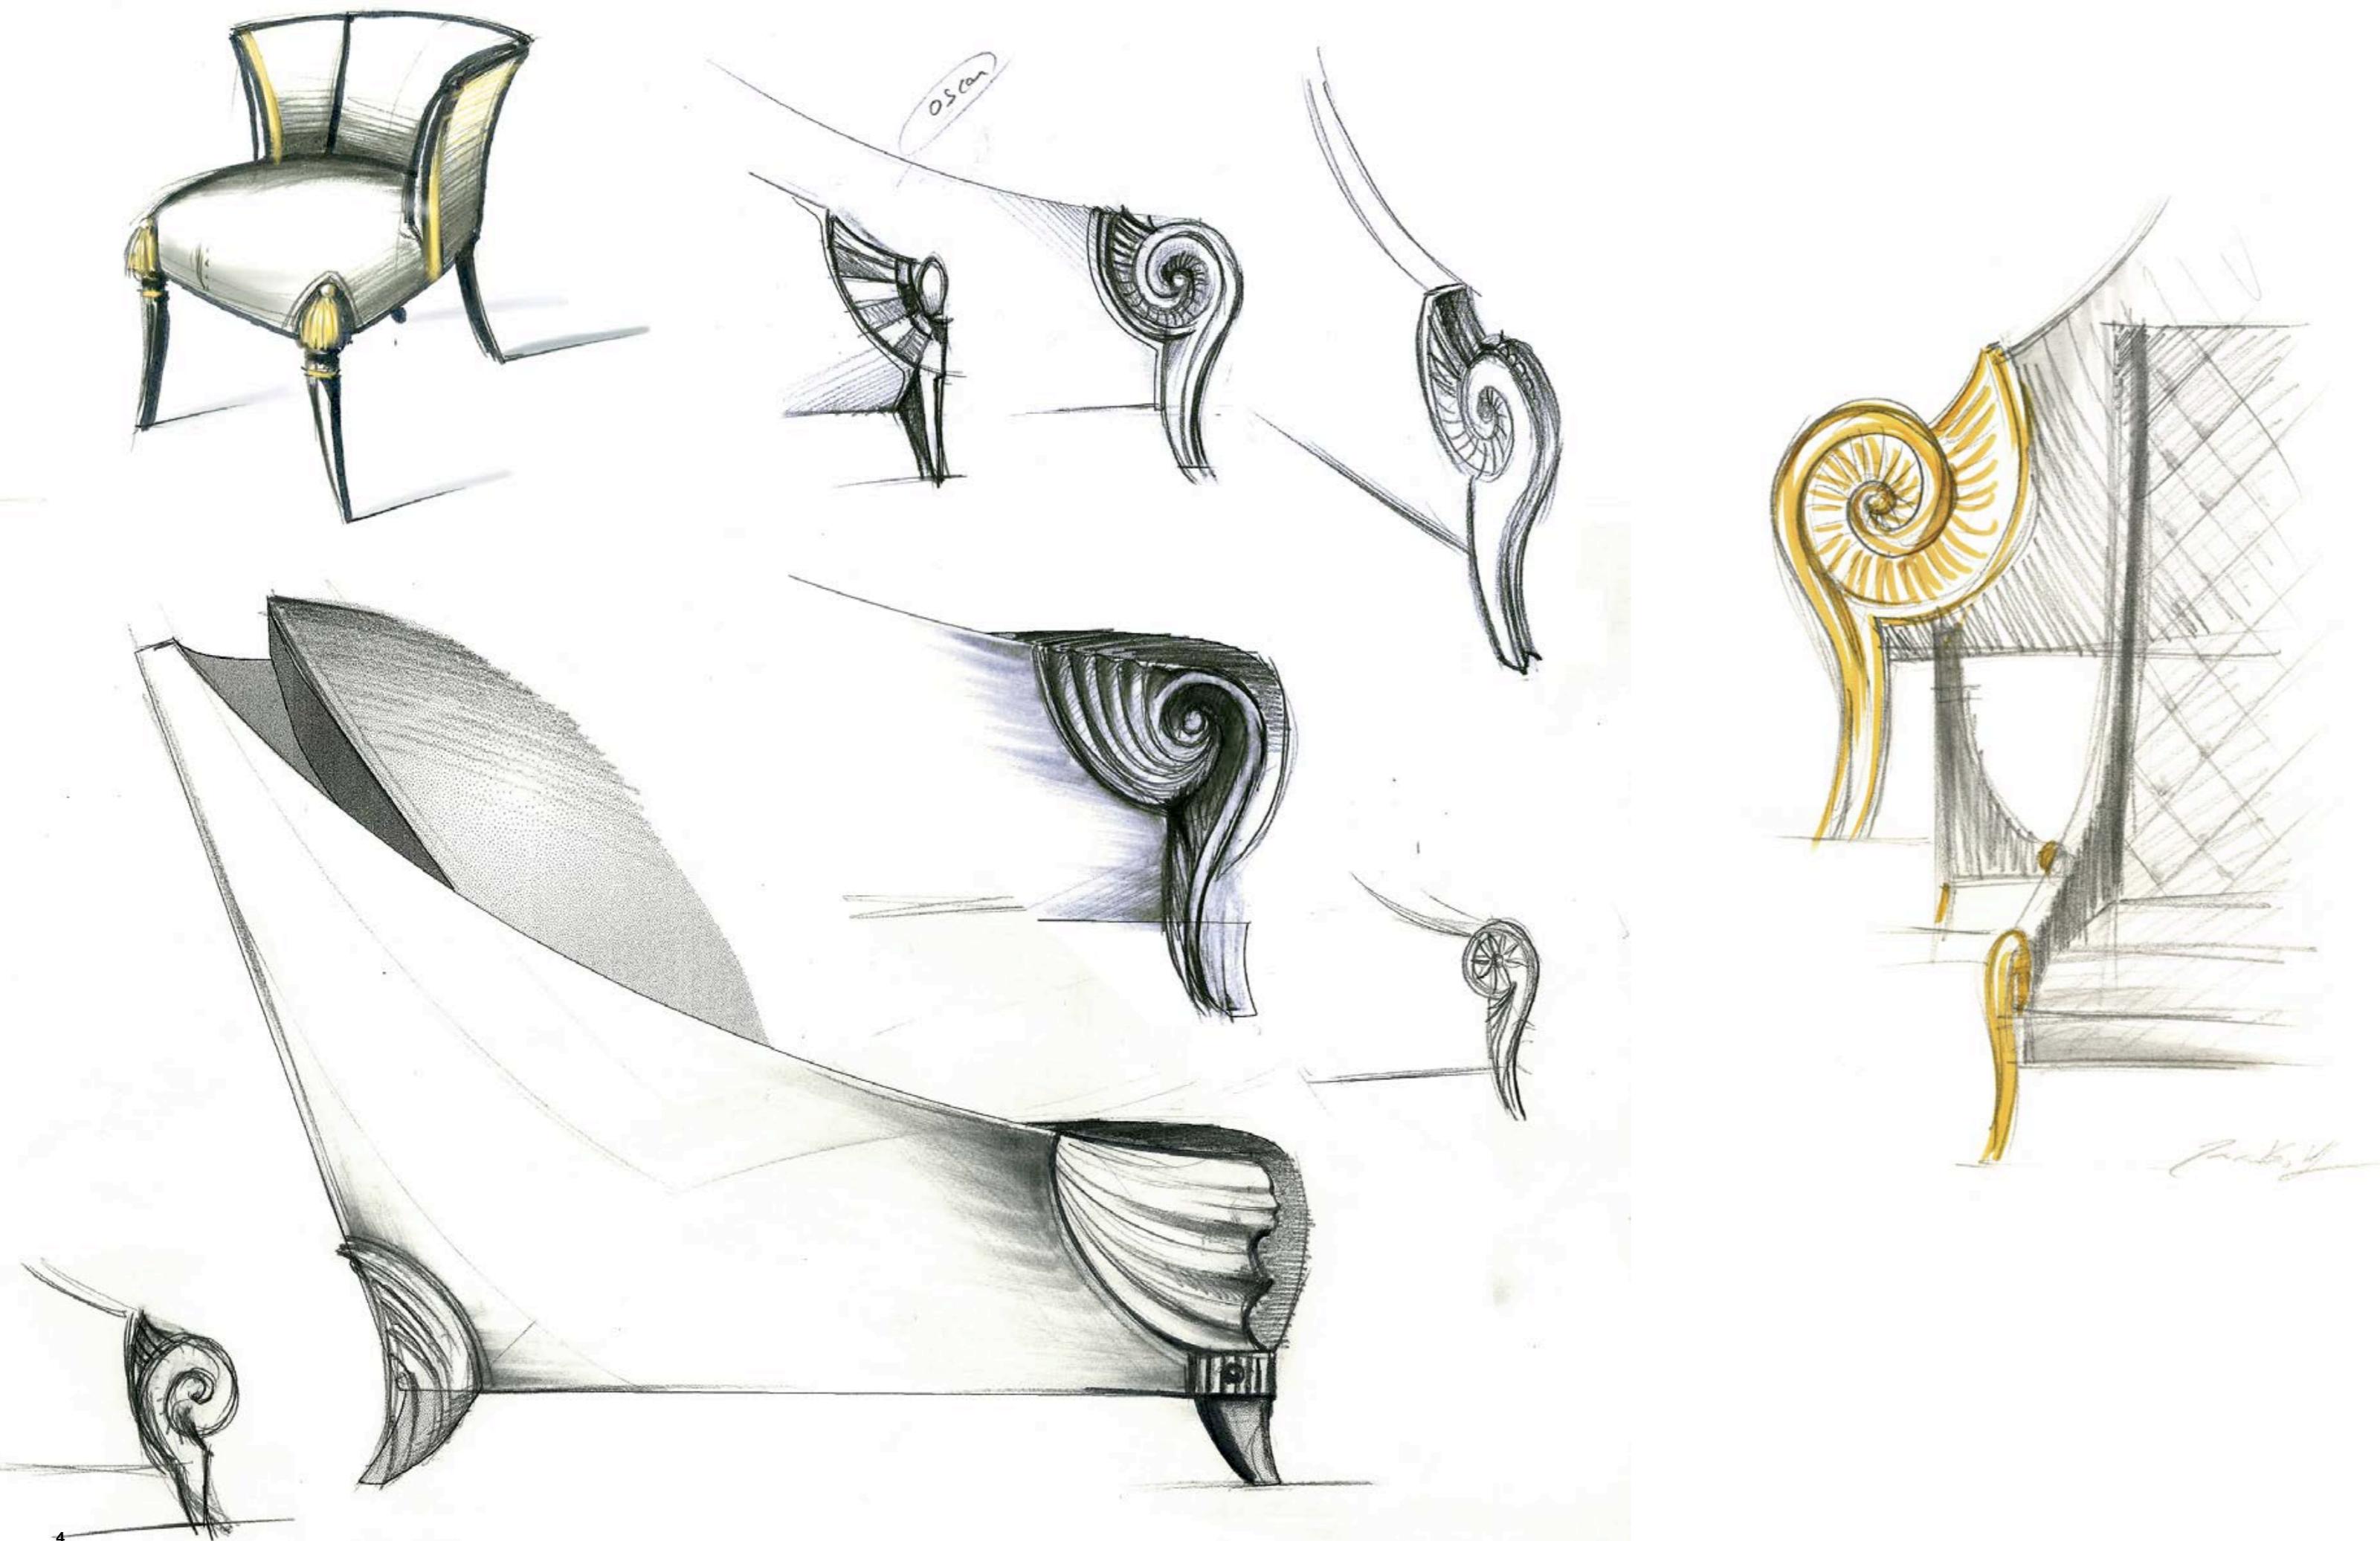

ALEXANDRA DESIGN STUDIO

Basados en su larga experiencia como decoradores de interiores, Colección Alexandra entiende el Diseño como un *concepto integral*, como la coordinación del mobiliario, el textil, la iluminación, la decoración y el contexto para conseguir un conjunto armónico.

Los muebles, accesorios, textiles, iluminación... son desarrollados por *Alexandra Design Studio*, el departamento de diseño interno de la firma, que proyecta, diseña y supervisa el proceso de producción. Este ha sabido mantener el espíritu y la personalidad de Colección Alexandra, así como la fuerza y pasión de su fundadora, *Maria José Guinot*.

Based on its vast experience in interior design, Colección Alexandra conceives Design as an *integral concept* focused on coordinating ideas to achieve a harmonious ambience by combining furniture, lighting, decoration, fabrics, rugs, wallpaper...

All these elements are developed by *Alexandra Design Studio* - the design team at Colección Alexandra - which is fully involved in projecting, designing and overseeing the entire production process. The design team endeavor to maintain and nurture the spirit and unique personality of the company as well as the strength and passion of its founder, *Maria Jose Guinot*.

CRAFTSMANSHIP

EL VALOR DE LA TRADICIÓN ARTESANAL

Mención especial merece aquí las creaciones en las que la piel es indiscutible protagonista: TRAVELER, VALENTINA, JACKS, CROS, WIKA,... dan nombre a esta nueva generación de originales colecciones con las que la Firma amplía y diversifica su oferta. Precisamente de piel fueron los primeros modelos que la Empresa fabricó, de forma totalmente artesanal en sus inicios, siguiendo las técnicas de los antiguos encuadernadores de libros.

Para llevarlo a cabo se han unido la experiencia y el saber hacer de cualificados artesanos con la utilización de novedosas técnicas y procesos de fabricación, que junto a la flexibilidad en la producción, sus sofisticados acabados y los diferentes tipos de piel con una variada paleta cromática, abren un enorme abanico de posibilidades.

El fruto de este trabajo son piezas con un diseño sobrio pero con patentes indicios de la creatividad y expresividad que Colección Alexandra confiere año tras año a sus nuevas colecciones y modelos.

THE VALUE OF HANDICRAFT TRADITION

Our made in leather creations from the TRAVELER, VALENTINA, JACKS, CROS and WIKA collection deserve special mention offering a highly original and varied range of products. The company's first creations in this material were handcrafted using techniques mastered by ancient book binders.

Experience and know how, together with the implementation of new techniques and modern production processes, open up a wide range of possibilities. If we combine production flexibility, sophisticated finishes and diverse leather types and colours, the options are limitless.

Remarkable pieces have been created with a sober design yet at the same time expressing the distinctive creativity that Colección Alexandra infuses into its new collections every year.

Los métodos de fabricación artesanal que emplea Colección Alexandra facilitan la elaboración de piezas únicas en decoración, fabricadas *one-to-one*, y está en óptimas condiciones para dar respuesta a cualquier demanda de los clientes, tales como el desarrollo de artículos de dimensiones especiales o acabados según muestra.

La personalización de las piezas es total gracias a la *flexibilidad de la producción*. Dado su carácter polifacético, una misma pieza de la colección, tras seleccionarse las opciones disponibles (acabado, tapizado, piel, sobre, herrajes...) puede dar como resultado un mueble con connotaciones más clásicas o contemporáneas, adaptándose al estilo de cada espacio. Precisamente dicha personalización y flexibilidad le confieren a los productos un alto grado de *Exclusividad*. Cada pieza es prácticamente única.

Y en este orden de cosas está la *Calidad* de la producción, la cual se basa en la nobleza de los materiales utilizados y en los complejos procesos de fabricación llevados a cabo por experimentados artesanos, apasionados por el cuidado de los pequeños detalles, que es el inconfundible sello de Colección Alexandra.

Our company prides itself on its traditional craftsmanship and the production of unique decoration pieces manufactured *one to one*, specializing in customization, as well as the development of items with specific dimensions and finishes as per clients' samples.

Customization is possible thanks to our *production flexibility*. Due to the versatile nature of our design, a piece belonging to the same collection can be custom-made by selecting from among the available options in terms of finish, upholstery, leather, fittings etc., transforming it into a more classical or contemporary style suitable for any ambience. It is precisely this level of customization and flexibility which confers the product a high degree of *Exclusivity*. Each item is almost unique.

In this regard, the *Quality* of our production is based on incorporating only the finest raw materials and the most complex manufacturing processes, handled by our expert craftsmen passionate about each and every detail. This is what defines the distinctive mark of Colección Alexandra.
