COLECCIÓN ALEXANDRA, SINÓNIMO DE INNOVACIÓN

Colección Alexandra es sinónimo de innovación y muestra de ello es el constante desarrollo, año tras año, de nuevos productos fundamentales en decoración, como son el mobiliario o la iluminación. En el catálogo que tiene en sus manos se plasman las nuevas creaciones bajo una espectacular puesta en escena de los tres estilos que caracterizan a la firma: nuestra colección más vanguardista y contemporánea, **EMOTIONS**, la elegancia discreta del clásico contemporáneo **EVOLUTION** y el lujo exquisito del clásico tradicional **HERITAGE**.

Los diseños van evolucionando, pero los principios fundamentales de Colección Alexandra se mantienen firmes. Las nuevas colecciones han sido creadas para ser adaptables a cualquier gusto. Cada artículo es una hoja en blanco en la que el cliente puede dar su toque personal con las múltiples opciones de acabado, tapizado o piel ofrecidas. Cada pieza está elaborada con pasión y amor, y cada componente es tratado con mimo, plasmando así las 'emociones' de Colección Alexandra. Y es que de la unión entre los métodos de fabricación artesanal y la tecnología punta nacen las obras de arte más exclusivas y únicas, empleando para ello materiales de óptima calidad para asegurar que cada pieza simbolice lujo y elegancia.

Con una reputación sin igual, Colección Alexandra deslumbra en el sector del mueble de alto standing a nivel mundial. Se caracteriza por redefinir el diseño de interiores combinando piezas clásicas con elegantes textiles y creaciones contemporáneas. La firma está considerada como un proveedor de referencia para arquitectos, decoradores y diseñadores internacionales que buscan un conjunto armónico en decoración: muebles únicos, accesorios, iluminación, textiles, papel y alfombras.

COLECCION ALEXANDRA EQUALS INNOVATION

Coleccion Alexandra is synonymous of innovation. Proof of this is the continuous development, year after year, of new lines mainly in furniture and lighting. The present catalogue captures these new creations in a spectacular setting showcasing the three styles which define this firm: our contemporary and avant-garde collection, **EMOTIONS**, the elegance of classical contemporary **EVOLUTION** and the exquisite luxury of the traditional classical **HERITAGE**.

Whilst the designs have developed over the decades, Coleccion Alexandra's core principles stand steadfast. The collections are created to be adaptable and meet every whim. Every piece is a blank canvas, which clients can veil with their own creativity. Each product is crafted with passion and love and every component is treated with unwavering respect. Every creation echoes the 'emotions' of Coleccion Alexandra. Only the world's finest materials are sourced and used, ensuring every piece epitomises luxury. Cutting edge technologies, used in conjunction with ancient hand carving techniques, create works of art which stand-alone with consummate elegance.

With an unsurpassed reputation the dazzling Coleccion Alexandra is leading the way in high-end design throughout the world. Redefining interiors by juxtaposing classically inspired pieces aside sleek modernist textiles and phenomenal contemporary creations, this is a collection without precedents. The company is now considered a trustworthy supplier by international architects, decorators and interior designers, who look not only for unique furniture pieces, but also for decorative items, home textiles and lighting.
